GLASS MOSAIC

ARTISAN'S REEF

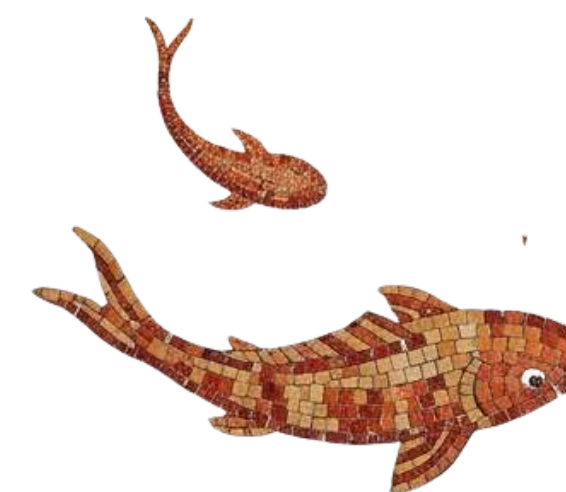

The splashy mosaic includes a whole little ecosystem of marine life: playful fish, elegant seahorses, a spiky puffer fish, a bright red crab, delicate seashells, and flowing seaweed. All of this sits on a soft underwater-blue background that binds everything together and gives the feeling of looking straight into the ocean.

IVORY REEF MOSAIC BACKSPLASH

This vibrant backsplash features a striking blue coral reef mosaic design that brings coastal charm and artistic energy into the space. Bold blue branching coral patterns spread rhythmically across a soft ivory mosaic background, while small orange fish accents introduce playful contrast. The hand-laid tesserae create depth and texture, transforming the wall into a lively yet refined marine-inspired focal point.

KOI SPIRAL MOSAIC WALL

This captivating koi spiral mosaic mural transforms the wall into a vibrant underwater masterpiece. Concentric spiral mosaic patterns in layered turquoise, aqua, and deep blue tones create dynamic movement, while graceful koi mosaics glide across the surface in striking coral and charcoal accents. The intricate hand-set mosaic tesserae form a richly textured, alluring composition that blends artistic expression with architectural refinement.

TIDAL DEPTH MOSAIC WALL

This dramatic vertical mosaic transforms the shower wall into a cascading underwater landscape. Flowing ribbons of layered blue mosaic tesserae create the illusion of moving currents, while delicately detailed fish glide through soft ivory and sand-toned channels. The elongated composition enhances ceiling height and draws the eye upward, turning the shower space into a serene, immersive marine retreat.

MARINE ARCH MOSAIC WALL

This striking mosaic installation transforms the bathroom into a rhythmic coastal sanctuary. Bold, scalloped wave forms in deep emerald, teal, and ivory create a repeating pattern that wraps seamlessly across the walls. The curved tesserae layout enhances the organic flow of the design, turning the space into a dramatic architectural statement inspired by ocean tides and movement.

GLASS MOSAIC

MEDITERRANEAN SHELL MOSAIC WALL

This refined vanity Mediterranean Shell Mosaic wall showcases a warm, sandy-toned mosaic composition inspired by coastal treasures. Intricately crafted seashells, coral branches, and organic marine elements emerge from a soft beige mosaic background, creating a harmonious blend of texture and artistry. The small-format tesserae add depth and movement, transforming the space into an elegant seaside-inspired sanctuary with timeless architectural appeal.

PALM CREST SCALLOP MOSAIC WALL

The Palm Crest Scallop Mosaic Wall reinterprets classic 1920s glamour through a refined coastal palette. Repeating scalloped fan motifs unfold in soft mint, warm terracotta, ivory, and subtle charcoal accents creating a rhythmic pattern that feels both structured and fluid.

Each fan is meticulously composed of slim, hand-cut tesserae arranged in radiating segments, forming a layered geometry that adds dimension and architectural presence to the space.

GLASS MOSAIC

AZURE OCTOPUS MOSAIC BACKSPLASH

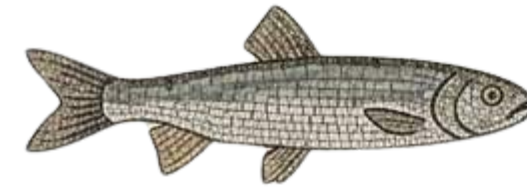

The Azure Octopus Mosaic Backsplash captures the spirit of the sea through intricate movement and artisanal detailing. Set against a flowing, wave-inspired background of soft ivory and scattered blue tesserae, the central octopus motif emerges in layered tones of turquoise, teal, and warm golden accents.

CERULEAN CASCADE MOSAIC WALL

This elegant feature wall showcases a fluid, river-inspired mosaic composition that brings movement and sophistication into the space. Layered bands of deep cobalt, aqua, and soft mist blue flow organically across a creamy neutral background, creating a dynamic yet balanced visual rhythm. The hand-laid tesserae form a sculptural surface that transforms the backsplash into a refined architectural statement rooted in coastal serenity.

GLASS MOSAIC

COASTAL REEDS & FISH MOSAIC WALL

The Coastal Reeds & Fish Mosaic Wall captures the quiet beauty of coastal wetlands through delicate detailing and soft, atmospheric tones. Subtle schools of fish glide between clusters of windswept reeds, all rendered in muted greens, sandy beiges, and gentle greys that evoke shoreline stillness.

MONOCHROME CASCADE MOSAIC

The Monochrome Cascade Mosaic Panel, geological inspiration into contemporary architectural art. Layered horizontal formations unfold across the surface in tonal shades of ivory, ash, and charcoal, creating a rhythmic composition reminiscent of carved stone cliffs and sedimentary strata. Vertical linear tesserae form the backdrop, introducing subtle texture and contrast, while sculptural horizontal elements appear to float across the wall in tiered formations. Circular cluster details punctuate the design, adding dimensional balance and visual interest without disrupting its refined monochromatic palette.

ABOUT THE DESIGNER

SOBAN A.

Captivated by the quiet mystery of the ocean, the designer translates the poetry of underwater life into intricate mosaic form. Each creation reflects a world in motion—where light dances across surfaces, forms drift effortlessly, and every detail echoes the rhythm of the sea. Through a masterful interplay of texture, tone, and composition, the work captures both the serenity and vitality of marine life, transforming stone into a living, breathing tableau. Rooted in craftsmanship yet guided by imagination, the designer invites a deeper connection to the unseen—where elegance flows, and every piece becomes an ode to the ocean's boundless beauty.

ABOUT US

Dive into a world where art meets the ocean. Our Under the Sea catalogue brings the beauty of marine life to life through meticulously handcrafted mosaics inspired by the depths of the sea.
