MOSAIC PRESENTATION FOR

Angela Thornton

Bespoke Luxury Mosaic

Our company designs and produces custom handcrafted mosaic art projects for diverse interiors and exteriors around the world. From intricate marble mosaic rugs to abstract glass tile pools and everything in between. Other than mosaics, we also design & manufacture high-end luxury wrought iron products, hand-painted Iznik, ceramic and cement tiles.

MEC completes and delivers hundreds of mosaic products every year. Our company's handcrafted products embellish various types of residential and commercial establishments internationally. Home, Villas, Restaurants & Bars, Hotels, Public Spaces, Palaces, Malls and Office Buildings are just some of the projects.

We are dedicated to making ensuring that our customers get one-of-a-kind, premium quality mosaic art masterpieces that reflect the color and style preferences of interior designers, architects and their clients. The MEC design team is always ready to help you with your dream design. Just share any inspiration photo, pattern, design or even a basic hand drawn sketch and our team of International designers and Italy-trained mosaic craftsmen will transform it into reality.

ABOUT US

Bespoke Luxury Mosaic

We are the pioneers of tailor-made mosaic work in the South Asian Sub-Continent region. MEC's main workshop and prodution facilities are located in Lahore, Pakistan. Other MEC offices are located in Dubai, UAE and Ontario, Canada.

MEC completes and delivers hundreds of mosaic, tiles and wrought iron products every year. Our company's handcrafted products are found in different regions of the globe. Home, Villas, Restaurants & Bars, Hotels, Public Spaces, Palaces, Malls, Office Buildings, you name it!

MOSAIC INSTALLATION

Artwork– A

Every big or small project is handcrafted with care and precision by our italian-trained mosaicists. Individual mosaic tiles are manually selected, adjusted and arranged into place. You can also request a sample to get a look and feel of the mosaic tile or a pattern before we start the production on your actual order.
